## The King Rebellion Hockey Club

### *Welcome to the 2019/20 King Rebellion Hockey Season!*

The KTMH Board of Directors would like to extend a warm welcome to all of our new and returning families, coaches, and volunteers. We trust that you are all as excited as we are to kick off the 2019/20 hockey season. Our volunteers have been hard at work putting together what is sure to be a fun filled and rewarding season.

#### ***KTMH Website and Policies***

The hockey season will be in full motion within the next few days. Paired with the start of school, this can be an especially hectic time of year. As such, we have been working on providing all the relevant information that you will need on our website. Please check the King Township Minor Hockey Website regularly for information, schedules and announcements. Ensure that you subscribe to our email distribution list for regular “e-blasts” with important Rebellion news, updates, and information. You will also find important links to things like our online store for amazing hockey gear and Rebellion Team and Fan Wear, links to important Association policies, as well as contacts to KTMHA Board members and our hard-working Administrative staff. Also, don’t forget to “like” us on Facebook at King Township Minor Hockey as well as King Rebellion Hockey on Instagram. Tag your team pics @kingrebellionhockey – we love to receive your game and tournament updates to post and share!

#### ***KTMH Partnership***

Over the last two seasons, our partnership has continued to grow, with increased success both on and off the ice. We have seen strong relationships develop and flourish among our two hockey communities. We have also seen a steady improvement in the standings as our teams settle in and build the foundation for future success.

As we continue to build our new association, opportunities for growth are always present. We should all be committed to growing our program and strengthening our partnership to work toward providing the best hockey experience that can be found - anywhere. Let’s work together to ensure that our entire league comes to know King Rebellion as not only a competitive club, but a hockey club that plays with both class and respect.

We should also acknowledge the importance of our Local League programs. Our Local League teams are the grassroots of our program, and the future Rep players at the competitive hockey level. We must continue to balance the needs of our Rep and Local League programs, in terms of ice time needs, fundraising, and skill development. All of our Rep teams and Rep coaches have an important leadership role to play in making those Local League players feel like they are part of the Rebellion Club, with the Rep teams and coaches helping to support Local League player development and provide meaningful AP opportunities. The Rep and Local League programs will only “win” if we all “win” together. So please give some thought in terms of how your Rep team can help support and develop Players, Coaches and Teams at the Local League level – who could benefit from your skill and expertise.

### *If You Don't Know, Ask*

Over the past couple of years, there has been an increasing amount of information, policies, and team/player requirements that the hockey community has been faced with. This can sometimes feel overwhelming, and difficult to manage. If you are not sure about a particular requirement, or you have questions about a KTMH policy, just ask. We have a strong pool of volunteers that are happy to answer your questions. This will ensure you get the proper information.

As a general rule, you should start by contacting our administrator Julie Kerr at [administrator@kingminorhockey.com](mailto:administrator@kingminorhockey.com) with any questions or concerns. Julie is always willing to help guide our team staff, players, and parents in the right direction.

### *Make it Fun!*

We sincerely hope that this season is filled with great friendships, memories, and a rewarding hockey experience that will lay the foundation for the continued love of this great game. We'll see you all at the rink!

Yours in Sport,
