RE: Covid-19 Update March 14th, 2020

As we have stated in previous communications, we are committed to providing a safe environment for all our athletes, coaches, volunteers and members. However, we do understand there are still some unanswered questions. Below are some clarifications. As we know more, we will continue to update our members.

What types of activities are included in the cancellation by Hockey Canada?

ALL on ice and off ice activities. This includes games, practices, meetings, team socials, AGMs and banquets. All Hockey Canada insurance is now suspended, so absolutely no team activities are permitted! All team rosters are now suspended.

As such, we are immediately postponing the upcoming AGM's for Nobleking, Schomberg and King. Once Hockey Canada allows us to begin meeting again, we will provide 30 days notice of the new AGM dates. All current board members will continue in their roles. Any awards banquets are also postponed indefinitely.

Will OMHA, YS or SPLL Championships or any other games be played this season?

Unfortunately, the 2019/20 season is officially cancelled.

What is the timeline for tryouts?

Spring tryouts are suspended indefinitely. All clinics and camps are cancelled at this time.

With the cancellation of the season, will there be any refunds issued?

Over the next few weeks, we will be reviewing our expenses and any costs saved due to cancellation of the season. Any extra ice that was purchased by teams (ie. Extra Rep team practices, etc) will be refunded to the teams. The executive will work to have additional answers as soon as possible.

Should you have any further questions, please email them to Julie Kerr at administrator@kingminorhockey.com

We hope all our members enjoy the family time this March break and stay healthy!
