RE: Covid 19 Update – OHF Statement

March 17, 2020

To All KTMH, SMHA, and NKMH Members,

As a follow up to our previous emails, we would like to share some new information that has been handed down from the OHF. Specifically, we have been notified that the upcoming spring tryouts have been cancelled, and will be conducted at a later date.

We do not have any direction on when the tryouts will be moved to at this time, nor do we anticipate having any further details regarding the new tryout dates in the immediate future. As always, we will keep you updated with relevant information as it becomes available.

OHF STATEMENT

The Ontario Hockey Federation and its seven member partners, including the Ontario Minor Hockey Association (OMHA), have issued a statement regarding spring tryouts for the 2020-21 season.

The health and safety of all participants in the sport is of the utmost importance to the OHF and its member partners. As such, tryouts for the 2020-21 season will not be conducted this Spring. Instead the OHF will provide guidance on when the introduction of the 2020-21 season will begin, subject to the Hockey Canada Board of Directors' future decision when to reinstate all Hockey Canada-sanctioned activities. Such introduction will take into consideration ice availability, capacity and other logistics involved in organizing hockey programs.

The OHF and its member partners will be in direct contact with all members to establish when sanctioned activities can resume.
