

King Township MINOR HOCKEY

Hockey's Back!

On behalf of the KTMH Board of Directors, we would like to extend a warm welcome to all our hockey families. We hope that you have been well, enjoyed your summer, and are looking forward to having some fun at the rink! We are excited to announce that our 2020/2021 program will begin on **October 1**.

The last few months have presented us all with unexpected challenges. Hockey, like life, has had to adapt. Over the last few months, the KTMH Board has been busy laying out the plans for what we believe will be a fun and safe environment for our athletes and their families. We have also approved the release of cash reserves to keep the registration costs down and ease the financial burden on our members.

It is important to note, however, that we may need to make further changes to the program as the Covid 19 situation evolves. Safety is our top priority, and we are ready to adjust the program at the discretion and direction of our local health authority, and our governing bodies – Hockey Canada, OHF, and the OMHA. A comprehensive guide to our health and safety guidelines is included below. **Please spend some time and familiarize yourself with the policies and processes.**

As many of you already know, there will be no travel hockey during the current stage 3. Our athletes will be playing in an inter association bubble (house league), which will have two Tiers. The game format will consist of 4 on 4 and 3 on 3 hockey. All the necessary details are outlined in our Return to Hockey Guidelines below.

We would like to thank our members for their patience and continued support as we navigate through the season start up process. Our administrator will be contacting you soon with your first ice times. Please check the website regularly as we will be posting any additional information here. Looking forward to seeing you all at the rink!

Yours in sport,

Remo Di Giovanni
