MINOR HOCKEY

January 18th, 2021

To All Our KTMH Families,

The KTMH Executive Board has been monitoring the current Covid 19 situation, and it's impact on hockey in our community. In light of the rising Covid numbers, discussions with the Township, and ongoing Provincial Lockdown, we have made the decision to call an official end to the 2020/21 hockey season.

Our priority has been the well being and safety of our athletes and their families, and providing our members with the best value possible. We feel shutting down at this time will continue in this spirit.

All of our players will be receiving a pro rated refund. Players will only be charged the net costs incurred. KTMH, Schomberg Minor Hockey, and Nobleking Minor Hockey agreed to invest heavily in this season, and will be using the full cash reserve that was allotted to the season in order to maximize the refund amount. Refunds will begin to be issued shortly. We thank you in advance for your patience as we navigate through the process.

Although our time on the ice was cut short, we hope that it provided our athletes with a bit of fun and release. We look forward to the return of hockey next season, and will be keeping our members updated with information about next season as it becomes available to us.

Stay safe.
